My dear Dr. Munz:-

Your letter found me in the midst of getting rid of duplicates and I have laid aside so far over 200 specimens. As far as possible I have put in plants from Warners Springs but we have very few left among the duplicates. I have made you a set from my Yuba collection also from that made at Silver City New Mexico. There are some miscellaneous duplicates also which you may appreciate more than any one else since your herbarium is cosmopolitan.

Yours sincerely Alice Eastwood.
